

## Rehabilitation Program Center

After we have cultivated the land for about a few years, we came to end of signing of our official agreement with the Ministry of Social Affair, Veterans and Rehabilitation that we can officially open our Teen Challenge Rehabilitation Program Center in Takeo province. It's about 1 hour drive from Phnom Penh to that area. We will open it officially on the 3rd of November, 2008. Coming to this opening, we will train staff so that they will be able to catch up well with their calling to the ministry. We have hired 5 program staff, 2 guards and 2 cooks.

We thanked God for the wonderful staff we have that God really put passion in their heart for the people who

have problems with drug and life problems. At this stage, our center capacity will only house for up to 25 students. In the year to come, we hope that God will provide us

enough money to build another dorm that can house up to 50 students. We hope that this building will help serving more of the people who have life-controlling problems and particularly in the drug issues.

We will start receiving the students on the 17th of November, 2008 right after we have finished training our staff. There are quite a lot number of people who sought for service.

### PRAYER REQUESTS:

- Pray for our staff that God will give them the wisdom to help and serve the students in an effective way.
- Pray for our financial needs to build the other building as a dorm that we can house up to 50 students and funding for our annual operation
- Koy will attend the Asia Conference in November, 2008 in Singapore and touch base with TC Singapore to gain more understanding about TC
- Pray for Cambodia and Thailand border conflict that peace will come between the two nations

### Praise God for:

- Praise God the staff we recruited are in place with passions
- Praise God for official agreement with the Government to start the ministry of TC Cambodia

## Spiritual Dedication

In July, 2008, we dedicated the land and the building that we have remodeled it to the Lord. We praised our Lord Jesus Christ that he is always faithful to us that he guided us to purchase this piece of land in a better price. We cannot believe this huge of land (almost 4 hectares )could cost lower

than we have expected. God

can do anything beyond men can't think of. We had all our TC Cambodia Board members came over for this event as well as church pastors around that area came over for this event, too. Since God is on our side, who can come against us. He will definitely help us walk through this journey.

## The Power of the Word and Prayer

As we can see many examples of prayer happened in the bible that God has performed many unbelievable things through prayers. God is interested in people who are longing to pray and spending time more with him. As we can clearly see in the Life of the Lord Jesus Christ that even though he himself is God, but He always plugs in with the father through talking

with His father-Prayer. One of the major strengths for TC Cambodia is prayer. We strongly believe in prayer that

We believe that in TC Cambodia, the students whom we will work with, will receive such blessings and have real new life through the power of prayer and set free from any life-controlling problems. As an Example to this story, TC Cambodia just recently accepted and welcomed by the Government of Cambodia to establish its work here. All of these had happened because of prayer. When we humble ourselves, confess our sin to God and seek for His guidance, He will absolutely come to us. **2 Chronicle 7:14.** When step out to do the ridiculous, God will perform the miraculous.

God can absolutely turn the impossible situation to the possible situation. This means that God can change anything or anyone at the same time.
