Greetings in the Name of our Lord Jesus!

As we enter into the Christmas season and get ready to step into the year, I am reminded by the Holy Spirit, of the enormous display of God's generosity not only through the giving of His beloved Son, and the giving of every kind of blessing that is ours in Christ Jesus, but also the immense generosity we have experienced through the body of believers all over the world.

I am reminded of 2 Corinthians 9 where Paul is boasting of the generosity the Macedonian church displayed towards the Achaian churches in Greece.

All of us at the BTC family, want to do the same by boasting about God's goodness, grace and mercy which has flowed and overflowed in the lives of the girls, the women, children and men. This has been possible mainly due to your spontaneous acts of kindness, a loving attitude and prayers of concern done under the prompting of the Holy Spirit.

My prayer is that as we enter the new year, we will continue to dig our heels in, and press forward to doing the works that God has prepared for us. For myself, and the fantastic and brave team that works with me that means going into the dark places and snatching the souls trapped in constant defilement and agony. It means mourning with those who mourn due to the intense emotional, mental and physical trauma these dear ones suffer as they bravely fight constant sexual violation, AIDS, drug addiction and other illnesses. It means rejoicing with those who rejoice when they overcome shame and suffering, when they find peace and when the joy of the Lord becomes their strength, and experiencing with others the joy that come from the gospel.

I am reminded of the famous Martin Luther King speech. "I have a dream today" he said.

I have a dream too. I dream of the day when sex slavery, the trafficking of victims and the prostituting of women will be abolished. I dream of the day

when women and children will be treated with the honour and dignity that every mother and daughter deserves. Though it seems humanly difficult and even impossible, the day is not far away. For God is on our side.

While we work towards that dream one life at a time, may I request you to read the short testimonies of some of the rescued children and staff members. I want to thank you for your continued prayer and support and I would encourage you to continue to be generous. Together we can work to turn this dream into reality.

May this Christmas season and the New Year bring you many, many blessings in Jesus' Name.

Your brother in Christ

Everything in our life that is good has been initiated by God. God has done everything for us. He is everything to us, and He enriches others lives through us. His generosity is overwhelming, His blessings are limitless and His love is endless.

SHOBHA

No one has favored me more than God. He has removed every stain of sin, he has cleansed all the defilement of my iniquity, and He has silenced every voice of condemnation that hung over my head. He has saved me redeemed me, and justified me.

RESHMA, ASHA & TARA
