Character Building for a Successful Future

MARCH - Cindy and Deborah Pan went to Yunnan province to provide training in how to use the Teen Challenge curriculum. The brothers and sisters there who minister in drug rehab centers were very excited to get such valuable tools to assist them in their work.

APRIL - Cindy and Deborah were invited to participate in the BICF: (Beijing International Christian Fellowship) "Impact Fair".

We had a display booth and were in search of bi-lingual volunteers to act as translators at our upcoming Teen Challenge Summer Camps this August. We also had great networking opportunities.

PRAYER REQUESTS

- o **TEEN CHALLENGE SUMMER CAMPS** - China TCI needs 10 interpreters for each of the two summer camps for middle school children that we are co-sponsoring this summer with the CNCCC (China National Center for Care of Children). The camps will be focused on values training and impulse control. Please pray for the success of the camps and that we are able to effectively speak truth into lives.
- o **LEADERSHIP TRAINING INSTITUTE** - Please pray that the "right" people will be able to come and participate in the July LTI (Leadership Training Institute) to be held in Yunnan province. We are trusting that this intensive training in "how to run a residential rehab program" will empower many to help change lives for the better.
- o **WE WANT TO PUBLISH "THE CROSS AND THE SWITCHBLADE" IN SIMPLIFIED CHINESE.** - Please pray for the details in obtaining the permissions and contracts needed
