We admitted 3 more of heroin addicts who have their lives living on the street during this month from Hosea Ministries. There were so many young children and youth whose lives were shattered by White Killer - Drug. Using of heroin facing of contracting HIV positive through sharing their needle. Most of them were trapped by circumstances in life. Some due to family poverty, some due to peer pressure, some due to domestic violence and so forth. We are now caring for 21 drug addicts - Students. We offered them a place where they can experience

the real love and care while they are living in the program. During this month all students were thoroughly counseled by their as-

signed case counseling teachers. This is one of other ways that can help them releasing their inner emotion and feeling. We believe the students will be able to receive the right healing through the right counseling. Socialization is also one of the helpful ways to allow the students to build relationship with other young people in the right environment. All the students were allowed to attend the weekend church service so that they have an opportunity to hear the Word of God. "Faith comes by hearing, and hearing by the Word of God" -NKJV Romans 10:17. As we keep adding value and sowing seeds in their lives, and God will make the trees bearing everlasting fruits!

The Power of Prayer

Yet you don't have what you want because you don't ask God for it - James 4:2

Prayer has as much power today, when men and women are themselves on praying ground and meeting the conditions of prevailing prayer, as it has ever had. God has not changed; his ear is just as quick to hear the voice of real prayer, and His hand is just long and strong to save, as it

ever was. Prayer is the key that

unlocks all the storehouses of God's infinite grace and power. But we must use the key. Prayer can do anything that God can do, and, since God can do anything, prayer

is omnipotent. We strongly believe the students will be set free by the Power of His Spirit and supernatural power as they continue to keep opening their heart for the Lord Jesus Christ.

Musical Instruments Needed

As the program is growing very fast, we are in need of certain musical instruments to set up our worship service in our center. A lot of our students really open their heart for the Lord Jesus Christ. Most of them wanted to learn how to play musical instrument so that they are able to group in band of worship together someday to glorify God. We do need one bass, one keyboard, one drum, one electric guitar, one acoustic

guitar, speakers, amplifier, mixer and so forth. This costs us a lot of money to which it is beyond our ability to purchase. We can only afford a very few of those musical instruments.

We hope that you can join us in praying and supporting us of help purchasing one or two of those instruments that will be very grateful and helpful. Please keep us in prayer for these needs.

Family Restoration

Children and youth need parental love in a broken world. God's design is for individual child to be born, vulnerable and dependent, to loving parents within the covenant of marriage. God's desire is for each child to grow in this secure, caring environment. In a fallen world, people and relationships can be damaged. When parents struggle to fulfill their in-

tended role, other must provide dedicated care for them and their children. God intended for all children to be raised by at least one loving, committed adult. Some children were abandoned

when they were young. They didn't experience the real care, love and attachment from their parents. While in our's care, we strive to reconcile the relationship between the parents and the children or even their relatives. This is one of the most powerful ways in helping the person completely healed both spiritually and physically.

"When I think of all this, I falls to my knees and pray to the Father, the Creator of everything in Heaven and on Earth" - Ephesians 3:14-15 NLT
